

The State of New Jersey to the Sheriff and Keeper of the Jail for the County of Somerset:

WHEREAS, Henry Carpender was heretofore, on August the 12th, charged with the crime of murder on oath before me, a Judge of the Court of Quarter Sessions for said County of Somerset, and duly committed for examination: and

WHEREAS, thereafter a hearing was requested by said Henry Carpender and I, as said Judge of the Court of Quarter Sessions of said County, held a hearing and witnesses were produced and sworn before me and gave evidence, and said Henry Carpender duly appeared by counsel at said examination and cross-examined witnesses produced by the State to support the said charge, and took other proceedings in the said examination, by objection, motion and otherwise, and said defendant, who was present in person all during said examination, made no statements therein; and

WHEREAS I, said Judge of the said Court of Quarter Sessions, did, upon the said testimony offered before me, determine that a prima facie case for murder had been established by the said testimony of witnesses against the said Henry Carpender, to wit: the murder of Eleanor Mills and Edward Hall on the 14th day of September, 1922, at the Township of Franklin in the County of Somerset;

THESE are therefore, in the name of the State of New Jersey, to require you, the said Sheriff and Keeper of the Common Jail of the County of Somerset, to take the said Henry Carpender at the said County Jail and you are required to receive the body of the said Henry Carpender into your jail in custody and him safely keep to await the action of the Grand Jury of the County of Somerset; until thence delivered by due course of law; and for so doing this shall be your warrant.

Given under my hand and seal, this 19th day of August, 1926, at Somerville, in the County of Somerset.

Frank L. Cleary
Judge of the Court of Quarter Sessions
for the County of Somerset.
